A Message from Barry Agnew, Jr.

Minister of Students and Education

I don't know about you but I hate being rushed. Part of the problem for me is when I get rushed I tend to make mistakes and forget things. On one occasion some years ago I was taking my students to youth camp. One middle school boy in particular had been running late and pretty much just threw clothes into a bag and ran out the door to get to the church in time to leave. Upon arriving at camp and getting off of the bus I hear an audible "uh oh". I immediately asked him what the "uh oh" was about to which he informed me that he had forgotten to pack underwear. Now, I may have been younger than I am now but I was still smart enough to know that I wasn't about to spend a week with a sweaty middle school boy who had been wearing the same pair of underwear for 5 straight days. Within the hour, I had him at the closest clothing store so he could pick himself up a pack of fresh new undies for the week.

In church sometimes, we get so busy with activities, events, and ministries that it can be very easy to leave God out of the equation all together. We get so busy with all of our planning, meeting, and preparing that we forget to seek the Lord's guidance at all. As we are moving through June, we have a LOT of great things going on. From VBS, to the church picnic, to our Boston Mission Trip, and on to Youth Camp, we are running full speed ahead! However, in all of the business we have to keep God involved at every level. In all of this I want to invite you to commit to pray for the ministries going on this month here at Northgate. Pray that God would reach children and their parents through VBS. Pray that our Boston mission team would have divine appointments for the sake of the gospel. Pray that God would do a mighty work in the lives of our students when we head to youth camp this year. **Pray that God would move in a way that only He can. Thank you all for all you have done and all you do and I for one can't wait to see what God is going to do with the rest of the month of June!**

WELCOME MATTHEW WINTERS, WORSHIP LEADER

Providence! It's a beautiful word. Sometimes it can be downright scary! God takes the pieces of our lives and lovingly moves them around as He pleases. That is what He has done with our family. As we were seeking God's will following our interim ministry in Simpsonville, God made us aware of and called us to Northgate, knitting our hearts rather quickly. As the writer of Ecclesiastes said, God really does make everything beautiful in its time.

As we begin to co-labor together, we ask for your prayers. We ask that you pray that every song and every act of worship will be pure and pleasing to the Lord. We ask that you pray for unity within the music ministry and church. We ask that you pray for God's hand to be upon us as we seek Him first, executing His agenda for His church. Let us ask God what He wants the worship ministry of Northgate to be and pursue it with our whole heart.

You and I were created for worship - all that we are responding to all that God is. May we not just do this on Sundays. May worship be a lifestyle and Sundays be the overflow.
